INR 20,000 to 1,00,000 per month!

As our **CHOSEN CURATOR**, you would support our **NOBLE MISSION** of **CELEBRATING REAL HEROES** by researching and recognising **UNSUNG HEROES** and **CHAMPIONS OF CHANGE** for the most coveted, celebrated, credible honour, the **REX Karmaveer Global Fellowship** and **Karmaveer Chakra Awards**. The **REX Karmaveer Recognition** is bestowed upon people who are making a huge difference in our world and also inspiring others, by changing mindsets. Our **EVERYDAY HEROES**, are people who are fulfilling their responsibility as **HUMAN BEINGS**, by trying to leave behind a world, that is a bit better than the one they were born in. We must always remember the ancient native proverb "We do not inherit the Earth from our ancestors, we borrow it from our children"...

Job to Accomplish

As our esteemed and celebrated **CURATOR**, all you need to do, is **SCAN** newspapers, magazines, internet, social media portals (like Facebook, LinkedIn, Twitter, Instagram, Pinterest and others, to find **EVERYDAY REAL HEROES** in our **WORLD**, who are **CHANGING MINDSETS** and making a **BIG DIFFERENCE** with their **SMALL, SIMPLE but SIGNIFICANT IDEAS FOR ACTIONS**.

Remuneration Offered

From Rs. 20,000 to 1,00,000 + per month, based on efforts, devotion and commitment to the **JOB TO ACCOMPLISH (JTA)**, with personal responsibility.

Educational Qualifications are OVERRATED

As a mission we focus more on character than competence because while we can train people and make them competent within a week, building character of the **REX KARMAVEER HEROES** would take a lifetime. The **REX KARMAVEER GLOBAL FELLOWSHIPS MISSION** is all about ordinary heroes, who have achieved the **EXTRAORDINARY**. Many of our heroes are people who did not even go to school but have ethically created and built world class schools, hospitals, agriculture ventures and created opportunities for millions of people. Hence, we do not LAY emphasis on educational qualifications, degrees or certification, but on character, commitment, wisdom and chastisement by the self **TO BE** and **LEAD THE CHANGE**.

An essential skill that you must have to apply (but if you don't, no worries, we shall guide) is **BASIC PROFICIENCY** to conduct research on the internet, meticulously choose the **RIGHT REAL** heroes to be awarded and recognised. You must have the basic ability to work on Microsoft Excel, Power Point and Word, and aptitude to draft, craft and send letters through email to People who are nominated for the REX Karmaveer Global Fellowship and Karmaveer Chakra award. Basically, we looking for people with a Mindset/Attitude to find hidden gems and unsung heroes, who are worthy of the REX Karmaveer Honour, to **MAINSTREAM** their **HEROIC EXTRAORDINARY DEEDS** in order to **INSPIRE** people from around the world **TO BE THE CHANGE**

Work Experience is INSIGNIFICANT

Our Founder, Jeroninio "Jerry" Almeida, is a Leadership Coach and Management consultant by **PASSION**. He loves working with people to **INSPIRE SOLID CHARACTER** and **UNLEASH THEIR HEROIC POTENTIAL**. Jerry engages with corporate and other executives to make

them work better. What he has realised over the years, is that it is **NOT JUST** 85% of people who come to work **JUST TO PAY THE BILLS** but that another 10% come to work **JUST LIKE THAT** and most of these **EMPLOYEES** have no **FIRE IN THE BELLY**. So frankly, **WORK EXPERIENCE** like **EDUCATIONAL QUALIFICATIONS** is another flawed concept. So, if you have the **CHARACTER OF CONTENT** and **DRIVE** to embark on this extra ordinary journey, with fire in your belly, heart and soul to find the **FIREBRANDS** who believe that it is better to light a candle and dispel the darkness, rather than just cursing the darkness, then read our website and get in touch.

To reiterate, **WE DON'T EMPHASISE OR WORRY** about your **EDUCATIONAL QUALIFICATIONS** or **WORK EXPERIENCE**. What **WE CARE** about is your character, devotion, discipline and diligence to **BE THE CHANGE** and **LEAD THE CHANGE** by **BEING A HERO** who **CURATES** and **DISCOVERS** the **MORE INSPIRATIONAL REAL LIFE HEROES IN OUR WORLD**.

READ THROUGH OUR WEBSITE, thoroughly, and if you think you **CHOOSE TO MAKE A POSITIVE CONTRIBUTION** as our **CURATOR**, then write to our founder **JERONINIO "JERRY" ALMEIDA** directly at jeroninio@icongo.in with a CC to our Founding Curators **Cdr. How can I be useful, of what service can I be?

There is something inside me, what can it be?

I always wondered why SOMEBODY

did not do something about this and that.

Then I realised that I am that SOMEBODY.

That was the day I unleashed my true potential.

REX Karmaveer Global Fellowship and moJOsh Inspirator Credo

Cheers and Kudos to all our **Real-Heroes**, Brave-Hearts and Champions of Change in the world. All those idealistic, insane, unreasonable, impractical, impossible people, who believe they can be and lead the change. **The Oddballs, the Mavericks, the Non-Conformists, the Revolutionaries, the Thought-Leaders, the Rabble-Rousers, the whistle-blowers, the Free-Spirits, the Alternative-Thinkers, the Missionary-Entrepreneurs, the Game-Changers.** The Non Violent **Rainbow-Warriors**, the **PEACE-SOLDIERS**, the **ECO-CRUSADERS**, the **KNOWLEDGE_KNIGHTS** in shining armour. **The Square Pegs in Round Holes.** the **Optimists who go out without umbrellas seeking Rain and Dark Clouds.** People who **LIGHT CANDLES TO DISPEL DARKNESS.** People who never follow the herd and walk the path less trodden. **People who contest foolish dogmas.** People who are **Voices-of-Conscience.** People

who are **Voices-of-Dissent.** People who are **VOICES FOR THE VOICELESS.** People who are **DIVINE-BEINGS** on a **HUMAN MISSION.** People who **FULFILL THEIR RESPONSIBILITY** as **HUMAN BEINGS.** People who believe in creating a better, safer, just, humane, fair, egalitarian and responsible world. People who know that it is not mindless charity, but mindful social justice (fairness) that is wanting in our world. **People who think, see, speak and do things, differently.** People who believe in exploring synergies with other people, to find a better, bigger, higher way that lifts up humanity, breaks barriers, expunge borders, demolish walls and build bridges **To Heal the World.** People who become channels between the world as it is and **THE BETTER WORLD** that we could create together. **People who believe in their POWER OF ONE.** People who follow their heart, fulfill their dreams, pursue their passion and speak their mind to take their ideas to action. People who innovate by creating a **CULTURE OF FAILURE** and thrive to experiment without **FEAR OF FAILURE.** People who experience, feel and spread **THE JOY OF GIVING.** People who **SHARE KNOWLEDGE to learn eternally.** **PEOPLE WHO DO UNTO OTHERS, AS THEY WOULD WANT OTHERS TO DO UNTO THEM.** People who practice the **MORAL CODE OF HUMANITY** and not some inane, inhuman rules, traditions and laws. People who come together as **ONE** to **RIGHT every WRONG.** People who are vulnerable and yet **ARE unstoppable, limitless and relentless to unleash their potential for transforming themselves and the world.** People who know that they possess **THE ENERGY TO MOVE MOUNTAINS,** if they put their mind to it. **People who have a vision and follow their mission and do not just live in default mode.** People who believe, understand, know and live our slogan **"I Change to Change the**

World". B'coz change is inevitable and **EACH AND ALL OF US** can **LEAD THE CHANGE.** We the **ORDINARY PEOPLE** with **EXTRAORDINARY CHARACTER,** are the **UNREASONABLE ONES,** who know that change in our world has always been led by the **FEW** and not by the **MANY.** We choose to be **COUNTED IN THE FEW.** People who believe that each of us is **NOT JUST A TEACHER,** but an **ENLIGHTENER, AWAKENER** and **TRANSFORMER** who has the potential to influence change for the progress of the future. The world can speak against us, disregard us, snigger at us, fight us, differ with our righteousness and yet they cannot ignore us. **Because WE THE FEW COMMON CITIZENS OF THE WORLD** transform the world for the better with our small but significant **IDEAS FOR ACTION** We kindle hope and inspiration for the future of the human race. And while many may see us as the **CRAZY ONES,** they also see in us True-Wunderkind and Real-Heroes. **Because at the end of it all. We the People** who are **SILLY** to think, that we can make a difference in our world, are **THE FEW** thoughtful, mindful, committed **ONES,** who do! We are **THE FEW,** who are the hope for humanity and our world. **We are THE FEW** who are worthy and deserving for the **REX Karmaveer Global Fellowship, Karmaveer Awards** and becoming **Karmaveer Noble Laureates, Champions of Change** and **moJOsh Inspirators.**

Ideas for Action - Life is not just about creating and amassing wealth and materialistic gains for one's own near and dear ones. **Life is about creating a legacy of a better world for our future generations, because our own children also belong to the future generations.** A better world benefits all and each of us can do something to create a better world. **And if each and all of us 7 billion people do our little bit then the world will change for the better.** We as individuals cannot change everything, but can change something. **We can change ourselves to change everything.** Each of us is just another human being, just another volunteer and just another moJOsh missionary, but we all have the heroic potential, to question ourselves about everything and do something to be the change. **Come experience and enjoy The Joy of Giving.**

Together as ONE, we can RIGHT every WRONG.
